### Punctuality & Early Collections

Bringing your child to school on time is so important-ensuring your child is lined up with the class outside means they are ready to start on time with their classmates. We now record late arrivals & early collections on our computer system & arriving a few minutes late every day/being collected before the official finishing time quickly amounts to hours of curriculum time missed! We thank you for your co-operation.

### Updated Contact Details

Please drop in to Peggy if you have **changed address, mobile phone number/landline number** recently. It is very important that the school has correct contact details.
