20th December 2017

Friday 22nd December

Christmas Greeting

I wish to take this opportunity to wish all the children and their families a happy Christmas and that all of them will have happy memories of this time.

I hope that all parents and guardians will enjoy the festive season with their children. It is a time for being together and for enhancing relationships which will benefit everyone as the years go on.

I would like to thank every member of our school community for the kindness and encouragement given to me and the rest of the staff during the year. We will strive to support the children to the best of our ability in the months and years ahead.

Happy Christmas

Tom Traynor
Acting Principal
