

15th – 19th June

Monday

Literacy:

- Writing: write your news about what you did for the week. Don't forget to answer the questions, who, what, when, where, why.
- Reading: try the oxfordowl.co.uk - Choose one book to read for the week.

Maths:

- Warm-up (if needed use a 100 square)
 - Counting forward and backward from a random number
Eg. 53,54,55,56 and 87,86,85,84
 - Counting in jumps 2s, 5s, 10s
Eg. 5,10,15, 20 and 45,40,35,30
 - Pick a random number and add/subtract 2,3,4,5,10
Eg. 75 and add 5, 29 and take 3
- Mental Maths
- **What's the Question?**
 - The answer is 6.
 - What is the **addition** question? How many variations are there?
 - What is the **subtraction** question? How many variations are there?
- **Challenge:**

Monday

There are 28 episodes of Bumble Bee in total. Sally has watched 15 so far. How many more does she have left to watch?

SPHE:

The beach is a really nice place to go and relax on a hot sunny day. If it is too hot, you can cool down by splashing in the sea. You can build sand castles and collect shells.

I wonder if you have ever seen a lifeguard, or even the lifeguards hut? Do you know how to tell if there is a lifeguard on duty?

You can find the answer here along with other cool tips about staying safe around water. Just click this link.

<https://online.flowpaper.com/7efd0784/PAWS2ENGLISHWEB/#page=1>

Once you've read pages 1-4 with your parents; you can quiz yourself with one these categories.

<http://paws.edco.ie/first-and-second-classes/>

If you are around water this summer:

- Always have an adult with you.
- Be safe,
- Be smart
- Be careful

Tuesday:

Literacy:

- Handwriting
- Reading: continue with Monday's book for the week.

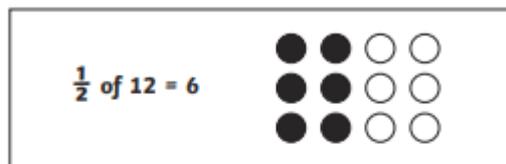

Maths:

- Counting forwards and backwards as outlined on Monday
- Mental maths
- Fractions worksheet

Halves and Quarters Fractions

Find the fractions of these numbers. Draw pictures to show your thinking.

Here is an example:

Now it's your turn!

$\frac{1}{2}$ of 8 =		$\frac{1}{2}$ of 14 =	
$\frac{1}{4}$ of 12 =		$\frac{1}{2}$ of 18 =	
$\frac{1}{4}$ of 24 =		$\frac{1}{4}$ of 32 =	
$\frac{1}{4}$ of 20 =		$\frac{1}{2}$ of 24 =

Problem Solving Challenge Cards Week 8

Tuesday

It takes 17 minutes to get into the city on the bus. The bus leaves at 9.05 a.m. What time will the bus get to town?

The illustration shows a yellow and blue bus with 'City Bus 24' on the destination sign and 'Tussock Travel' on the front. The bus is facing forward and slightly to the left.

SPHE:

- Continue reading the PAWS book pages 5-8 by clicking this link: <https://online.flowpaper.com/7efd0784/PAWS2ENGLISHWEB/#page=5>
- Quiz yourself by choosing one of these categories <http://paws.edco.ie/first-and-second-classes/>

Communion Preparation:

- It is important to continue preparation for your First Penance and the First Holy Communion. For now we want you to practice your Act of Sorrow. You will have to say this prayer after you make your confession to the priest.

Act of Sorrow

O my God, I thank you
for loving me.
I am sorry for all my
sins, for not loving
others and not loving
you.
Help me to live like
Jesus and not sin again.

Amen.

Wednesday

Literacy:

- Handwriting
- Reading: continue with Monday's book for the week.

Maths:

- Counting forwards and backwards as outlined on Monday
- Mental maths
- Time: Write down the time. Quarter **past** or quarter **to**

 _____	 _____	 _____
 _____	 _____	 _____
 _____	 _____	 _____
 _____	 _____	 _____

- **Challenge:**

Wednesday

A staircase has 18 steps. If you go up the stairs three steps at a time, how many strides will it take?

SPHE:

- Continue reading the PAWS book pages 9-14 by clicking this link: <https://online.flowpaper.com/7efd0784/PAWS2ENGLISHWEB/#page=9>
- Quiz yourself by choosing one of these categories <http://paws.edco.ie/first-and-second-classes/>

Communion Preparation:

- Continue to practice the Act of Sorrow prayer.

Thursday

Literacy:

- Handwriting
- Reading: continue with Monday's book for the week.

Maths:

- Counting forwards and backwards as outlined on Monday

- Mental maths
- Length:

At Home

Cut a piece of string that is one metre long.
Use the string to measure these things at home.

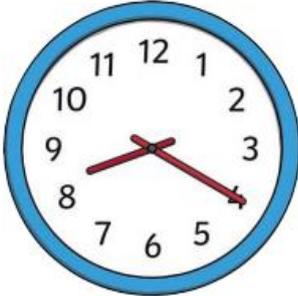

Object	Estimate				Answer
	More than 1m	1m	$\frac{1}{2}$ m	$\frac{1}{4}$ m	
Width of my bed					
Height of the sofa					
Length of the kitchen table					
Width of the front door					

- **Challenge:**

Problem Solving Challenge Cards Week 8

Thursday

There are 24 hours in one day. How many hours are there in 2 days?

Communion Preparation:

- Continue to practice the Act of Sorrow prayer.

Science:

- We saw the astronauts working outside on the International Space Station (ISS) the other week on Class Dojo. Why not check out this website <https://spotthestation.nasa.gov/> and you can track where the ISS station is.
- The website will be able to tell you when the ISS flies over Ireland. It will give you the time and direction to look in, up in the sky.
- The website also has cool facts about the ISS and tips for spotting the ISS in the sky.

Friday

Literacy:

- Reading and handwriting
- Write a book report based on this weeks reading.

Author: _____
Title: _____

What was the story about?

Who were the characters?

What did you like about the book?

Draw your favourite picture from the book.

Your rating: ___ / 10

Maths:

- Counting forwards and backwards as outlined on Monday
- Mental maths
- 3D Shapes worksheet:

Maths All Around Me at Home

Find five different 3D shapes in your house to draw in the boxes below.

Cube	Cuboid
Cylinder	Sphere
Cone	

- **Challenge:**

Problem Solving Challenge Cards Week 8

5

Friday

Andy made two trips to the shop in one day. The shop is 3km from his house. How many kilometres did Andy walk?
