Health Declaration

Thank you to all the parents who have completed the Health declaration form.

The Dept of Education have asked families to complete a health declaration after each pupil absence. It will allow the school to make sure that each child is healthy when they return. When your child is absent, each family will be sent a text to acknowledge the absence. Please follow the link in the text to make the declaration for your child just before they return to school. If you do not receive the text, you can still find the declaration on the front page of our website. Please complete the form after each and every absence. It only takes 30 seconds! Thank you for your cooperation.

Glanmore School Lunches

Glanmore Foods provide pupils with a varied and healthy lunch which Scoil Nano Nagle highly recommends. However, if your child is bringing in his/her own lunch to school please let the class teacher know so that your child's Glanmore lunch can be cancelled. We do not wish to waste any food and each uneaten lunch is an additional cost to the school.
