## Health Declaration

The Dept. of Education has asked families to complete a health declaration after each pupil absence. It will allow the school to make sure that each child is healthy when they return. When your child is absent, each family will be sent a text to acknowledge the absence. Please follow the link in the text to make the declaration for your child just before they return to school. If you do not receive the text, you can still find the declaration on the front page of our website. Please complete the form after each and every absence. It only takes 30 seconds! Thank you for your cooperation.
