

Junior Infants Work Timetable: 25th – 29th January

Dear Parents,

Please find the timetable for the week below, all the relevant work pages are attached. Keep sending your wonderful work to your portfolios. We love to see it!

Please continue starting each day with the routines we use in school. They are answering the following questions: what day it is, what month, what is the weather like outside today. There are lots of songs on YouTube for these, here are some ideas:
