

Monday	Tuesday	Wednesday	Thursday	Friday
<p>English</p> <ul style="list-style-type: none"> • Introduce the letter 'f', think of words beginning with f- • Practise the letter formation in free writing copy and draw some pictures of things beginning with f around the f you have drawn in your copy. • If there is access to tablet/smartphone in the home the Jolly Phonics app offers a story, an action, a song and opportunities to read words with 'f' in them. 	<p>Gaeilge</p> <ul style="list-style-type: none"> • Log into Folens onlineresources. Search Abair Liom A. Click Resources tab. On the 9th page of resources click on 'Póstaer -Ag féachaint ar an teilifís' there are a number of activities in this section. Allow your child to explore and practise them. • Return to this activity a number of times during the week as the children will need a lot of repetition with the vocabulary and phrases. 	<p>S.E.S.E.</p> <ul style="list-style-type: none"> • Transport is our theme for this time of year. • Ask your child to illustrate the different modes of transport people use to go to school/work. If you would like to share your pictures of your child's drawings on the school's twitter page @nanoscoil, we would be delighted to see them! • Twinkl has some nice activities in relation to the theme of transport e.g. past and present transport which you might like to do with your child. Type transport in the search bar of the Twinkl website and you will find a wealth of resources you can choose from. 	<p>English</p> <ul style="list-style-type: none"> • Use the starfall website and click on the learn to read tab. Here you will find interactive stories which the children should be able to read. Try the story 'The Big Hit' • Just Handwriting book-letter f page. 	<p>English</p> <ul style="list-style-type: none"> • Write 2-3 sentences about your news from the week. We really miss hearing it in class! • Read a book with someone in your family-see if you can spot any tricky words? We hope you are still practising them every day!

Youtube -P.E. with Joe. -Joe Wicks has created 30 minute P.E. sessions for Primary school aged children. There is a new session for each day of the week.

<p>Maths</p> <ul style="list-style-type: none"> • Addition within 5. Practise the different ways we can make 5 by using objects in your home e.g. pegs/pencils etc.. 5+0=5 4+1=5 3+2=5 2+3=5 	<p>English</p> <ul style="list-style-type: none"> • Write some cvc words in free writing copy. Ask your child to try and sound them out and write them independently e.g. fat, tap, cat, lip, hip, leg,tug,mug, mat ,nap,fed etc. • The following link directs you to a game 	<p>Maths</p> <ul style="list-style-type: none"> • Planet Maths page 26/27 • Refer back to the online games mentioned for Planet Maths-there are games which revise every topic, feel free to explore any of them! • Mix up the numbers 1-10 and put them in the correct order. Try the numbers 1-20 if this is too easy! 	<p>Maths</p> <ul style="list-style-type: none"> • If you have a deck of cards play a game of snap or a memory match game. • Practise counting forwards/backwards to 20. 	<p>Art</p> <ul style="list-style-type: none"> • Get creative- try and make some method of transport i.e. car, train, bus, aeroplane, bike using materials in your house e.g. old tissue box, empty toilet paper roll, old bottles etc. Even try using your lego! We'd be really interested to see what you

The above are some of the activities which you might like to complete with your child during this school closure time. We understand that many parents/guardians are under a lot of pressure during this difficult time, so we advise you to do what is feasible for your own family at this time.

Many thanks,

The Junior Infant Team
