<p>Practice counting forwards, starting at different points i.e start counting at 3, 6, 9, 11,13. Then practice counting backwards repeating the same method of starting at different points.</p> <p>Ask them what number comes after ie what number comes after 2, after 6 and so on.</p> <p>Pick a number between 1-10, or roll a dice and ask them to create a set of the given number....3 socks,5 pencils, 4 pieces of pasta.</p>	<p>Practice making the new letter /j/ sound using the jolly phonics song.</p> <p>Revise other sounds by playing "eye spy something beginning with the sound..."</p> <p>Children can try building different cvc words, identifying the starting, middle and end sounds in the different words. (google cvc word lists, we all find it hard to think of them on the spot!)</p> <p>The following link directs you to a game which focuses on cvc words. https://www.starfall.com/h/ltr-sv-a/maw-an/?sn=ltr-classic</p>	<p>Practice counting forwards and backwards, starting at different points.</p> <p>Ask them what number comes before....what number comes before 5, before 10.</p> <p>Place five objects on the table and ask: How many objects in this set? Partition (break up) the set by placing a pencil through the set to show 5 makes 2 and 3. Ask your child to use the pencil to make as many partitions of 5 as s/he can.</p> <p>Children can record their stories orally or create written stories....1 piece of pasta on this side plus 4 pieces of pasta on the other side makes 5 altogether.</p>	<p>Game: What's my number? Have your child stand with his/her back to you. Trace one of the numerals 0, 1, 2, 3, 4 or 5 on his/her back. When your child answers correctly, s/he gets the opportunity to trace one of the numerals 0-5 on your back.</p> <p>Practise forming the numbers 1-5 and Saying the rhymes</p> <p>1 - a downwards stroke oh what fun now I've made the number one</p> <p>2 - Half a heart says I love you add a line now I've made the number two</p> <p>3 - around the tree, around the tree now I've made the number three</p> <p>4 - down across and down some more now I've</p>	<p>We would love to see some lovely art, maybe some spring flowers or animals you saw outside your windows this week, something fun you did, somebody you really miss seeing, your very own bear hunt, and if you still need some ideas pinterest and art for kids hub on youtube are brilliant .Make sure to show us on the school twitter or dojo!.</p> <p>@nanoscoil on twitter!!</p>

Ways to Take Action & Solve Words

Eagle Eye

Look at the picture.

Think "What is in the picture that starts with the beginning letter?"

Lips the Fish

Get your mouth ready!

Say the beginning sound.

Stretchy Snake

Slowly stretch each letter sound to make the word.

ship = sh ||| p

Ghunky Monkey

Break the word into chunks you already know.

mat

flat

splat ter

Tryin' Lion

Try to re-read the sentence.

Think "What makes sense?"
