

Junior Infants Work Timetable

Dear Parents,

I hope you all enjoyed the break last week! Please find the timetable for the week below. **This week we are starting our reader videos which will be posted each Monday for the week.** The pages of the book will be attached separately also. Read along with the video throughout the week and practice reading the book yourselves. After practicing this throughout the week, please send us a video of you reading the story by Friday.

We are also starting to incorporate some Irish into our plan just to revise some of the words and phrases we have learned in school. There will be videos and explanations about how to pronounce the words.

If you have yet to send the list of sight words that your child can read to us, please do so this week as it will help us plan for when we get back to school soon.

Thank you for your co-operation,

Junior Infant Teachers.

Monday 22nd of February

- **Literacy-** The letter Nn /n/.
 - Please watch the jolly phonics song for the letter /n/.
 - <https://www.youtube.com/watch?v=oIKP8OQczoU>
 - Please watch Ms. Mulhern's video showing how to write the letter n
 - Can you tell me something that starts with n?
 - Please revise/read over the sight words: orange list
 - Your teacher will let you know individually whether to move onto the yellow list

Reading Video: Please watch the video going through the reader for this week!

- **Maths:** Number Revision
 - Practise your numbers on page 32 of your maths book.

- Complete the second /n/ page in your Fomics Phirst workbook.

Maths

Here are some mental maths questions for you to try

1. The season is Spring, can you tell me what season comes next? (clue – it's the hottest season)
2. How many legs do you have? How many MORE legs would a dog have?
3. Can you count backwards from 5? Can you count on from 3?
4. What 2D shape am I? I have 4 sides and 4 corners. My sides are all the same length.
5. What number is after 2 but before 4?
6. Which is longer – a shoelace or a skipping rope?
7. I brush my teeth and put on my pyjamas. It is dark outside. Is it morning time or nighttime?
8. Tom ate 3 crackers. He was really hungry, so he ate 2 MORE, how many did Tom eat altogether?
9. What shape is your clock?
10. Finish this pattern: circle, square, triangle, circle, square.....

Additional Task: Can you take a picture of you making a number using things around your house? I made the number 5 using balls of socks!

Thursday 25th February

Maths

- Watch Ms. Rogers' video about number formation and the Story of 4!

Literacy

- Complete the 3rd page about /n/ in your Fonics Phirst workbook, on this page. You have to draw and label things beginning with /n/
- Learn this song about 5 Fat Sausages and send us a video of you saying it:

5 Fat Sausages

5 fat sausages sizzling in a pan, 5 fat sausages sizzling in a pan
And if one went POP and the others went BANG
There'd be 4 fat sausages sizzling in a pan.

4 fat sausages sizzling in a pan, 4 fat sausages sizzling in a pan
And if one went POP and the others went BANG
There'd be 3 fat sausages sizzling in a pan.

3 fat sausages sizzling in a pan...

Here is the link to the song: <https://www.youtube.com/watch?v=ICp-iHIZJbA>

*** Skip forward to 0.23 seconds for the song*** The video stops after 4 but continue on counting back the numbers all the way to zero!

Friday 26th of February

Literacy

- Story time: Listen to your teacher read a story online.
- Can you retell the story in your own words?
- Can you draw the main characters?

Please send your reader videos today to your teachers.
