

## Junior Infants Work Timetable

Dear Parents,

Please find the timetable for the week below. If you make or do something, you're proud of, we would love to see a picture of it. For example, if a child makes their own pattern or shows an empty/full glass. If you would like to send a picture, you can send them via the portfolio.

Each day it might be of benefit to start with the routines we use in school. They are answering the following questions: what day it is, what month, what is the weather like outside today. There are lots of songs on YouTube for these.

Thank you for your co-operation,

Junior Infant Teachers.

### Monday 1<sup>st</sup> February

- **Literacy-** The letter I /i/.
  - Please watch the jolly phonics song for the letter /i/.
  - Look at the jolly phonics song for the letter sound /i/  
<https://youtu.be/QL7w-PAQUb8>
  - Please watch the video of Ms. Watts showing how to write the letter i.
  - Can you tell me something that starts with i?
  - Please revise/read over the sight words; orange list

- **Maths:** Number 5

Draw a straight neck and a round tummy, put his hat on, 5 sure looks funny!

Practise making the number 5 in your Planet Maths book page 23.

## Tuesday 2<sup>nd</sup> of February

- Maths
  - Please watch Ms. Howards maths activity video and try it at home.

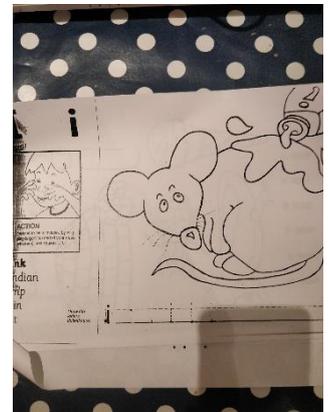

### Five's Frame

All rights reserved using iLearn™

- Literacy
  - Complete the first page of your new Fonics Phirst workbook. The page where you can see 'inky the mouse' and practise your i's underneath.

-Have a look around your home and see what things you can find beginning with /i/, or cut out pictures in magazines/newspapers of things beginning with /i/ and stick them into your copy. This way, you can make a picture dictionary for yourself including all the sound covered to date!

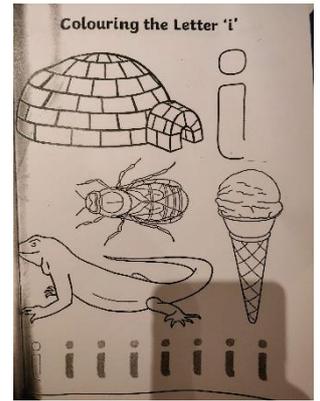

I

## Wednesday the 3<sup>rd</sup> of February

### Literacy

- Watch Ms. Mulhern's literacy video on some ideas to help learn the sight words. We will stick to the orange word list for now. Try her activities at home!
- Complete the second /i/ page in your Fonics Phirst workbook.

### Maths

- Answer these mental maths questions and send us your answers:
  - 1) Elsa and Ana built 5 snowmen. 3 snowmen melted. How many snowmen were left?
  - 2) The Little Mermaid found 3 shells. Then she found 2 more. How many shells did she find altogether?
  - 3) How many sides does a triangle have? Can you draw one?
  - 4) Rapunzel has very long hair. Who in your house has the longest hair?
  - 5) What is your favourite number. Why?
  - 6) What holds more liquid... a bath or a cup?
  - 7) Which number is in the wrong place: 1, 2, 6, 4, 5 ??????
  - 8) What is the odd one out... Dog, cat, apple, fish
  - 9) You have 2 eyes, can you name 4 other parts of your body that you have 2 of?
  - 10) Which number comes between 3 and 5.
- Illustrate a poster of the number 5, on it include the number 5, the word five, some sets containing 5.

Thursday 4<sup>th</sup> February

## Maths

- Watch Ms. Rogers maths video and give her ideas a try at home!

## Literacy

- Complete the 3<sup>rd</sup> page about /i/ in your Fonics Phirst workbook, on this page you have to draw and label things beginning with /i/
- Learn this poem and send us a video of you saying it:

What's the Weather?  
(sung to Clementine)

What's the weather?  
What's the weather?  
What's the weather, everyone?  
Is it windy?  
Is it cloudy?  
Is there rain?  
Or is there sun?

## Friday 5<sup>th</sup> of February

### Literacy

- Story time: Listen to your teacher read a story online.
- Draw a picture of your favourite character in the story.

### Maths:

- Why not have some fun on a Friday afternoon with these online maths games:
- <https://www.topmarks.co.uk/learning-to-count/helicopter-rescue>
- <https://www.topmarks.co.uk/ordering-and-sequencing/shape-patterns>
