

## Junior Infants Work Timetable

Dear Parents,

Please find the timetable for the week below. If you make or do something, you're proud of, we would love to see a picture of it. For example, if a child makes their own pattern or shows an empty/full glass. If you would like to send a picture, you can send them via the portfolio.

Each day it might be of benefit to start with the routines we use in school. They are answering the following questions: what day it is, what month, what is the weather like outside today. There are lots of songs on YouTube for these.

Thank you for your co-operation,

Junior Infant Teachers.

### Tuesday 12<sup>th</sup> of January

- **Literacy-** The letter Mm.
  - Please watch the jolly phonics song for the letter m  
<https://www.youtube.com/watch?v=ltYJjOqoMoc>
  - Please watch the video of Ms. Howard showing how to write the letter m.
  - Can you tell me something that starts with m?
  - Please revise/read over the sight words; the, to, and, he, a , I

- **Maths:** Patterns

Patterns are made by repeating objects in a specific order.

Here is a 2-item pattern

What is the pattern?  
What objects can you see?  
What are the different colours you see?  
What do you think will come next after the orange?  
Can you make a pattern like this?

Here is a 3-item pattern

What is the pattern?  
What order are the colours in?  
How many different things can you see?  
What will come after the white runner?  
Can you make a pattern like this?

### Wednesday 13<sup>th</sup> of January

- Literacy-
  - Practice writing your 'm' sound. If you have Playdoh at home, it might be fun to make an 'm' out of that too.
  - Play the jolly phonics song.

Here are things that start with M. Can you name any?

- Can you take a picture of something that starts with the letter 'm' around your house?
- Revise the sight words; you, it, of, in, was , said

**Maths:** Please watch Ms. Roger's video about Capacity.

**Thursday 14<sup>th</sup> of January**

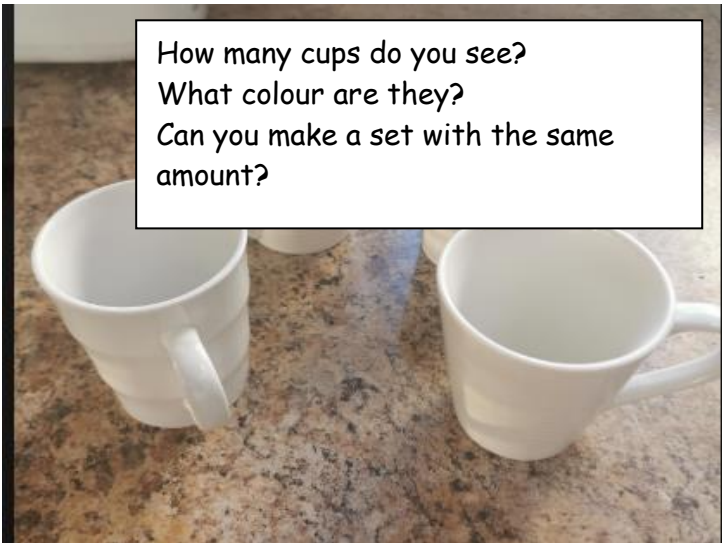

### Literacy

- Can you remember any of the words that start with m?
- Write your m on a piece of paper a few times?
- Try write the word 'mat' and 'mad'
- Please watch Ms. Watts' video playing a sight word game.

### Maths

- Number revision of the number four.
- Here is the rhyme; "down across and down once more, that's the way to make a four.
- <https://www.youtube.com/watch?v=X9R17dbAfQ8>- here is a video to show how to make a number 4.
- Can you practice writing the number four?
- Can you make a set/group of four things in your house and take a picture?

- Here is a set.

## Friday 15<sup>th</sup> of January

### Literacy

- Practise writing your letter m
- Listen to the jolly phonics song. Can you take a video of you singing it, or saying something that starts with m?
- If you have any old newspapers or magazines, can you rip the pages into strips. This is a great activity to work on the children's fine motor skills.

### Maths

- Please watch the video Ms. Mulhern has done about counting and number.
