Dear Parents,

I hope you and your families are safe and well. I want to thank you all for your co-operation over the last few weeks. Please do not put yourself under extra pressure - whatever work you can do at home with your child is great. All the work on our website is optional. Keeping happy and safe is more important.

As you all know, schools will remain closed until September. I know many of you are worried about next year and how your child will get on after missing so much school.

I want to let you know that we are planning for all children to move to their new class level next September. Teachers will be extra patient with all children and will give them extra time to catch up with any work missed. The children are in safe hands with our very dedicated teachers and special needs assistants.

I will be able to let parents know in June who their child's teacher will be in September. This takes a long time to arrange but you all will all be the first to know.

I want to tell our second class pupils that there have been no decisions made yet about when First Holy Communion will happen. The second class teachers and I are determined that it will go ahead as soon as possible, and that the school will be very involved as usual. As soon as we know from the Archbishop and the parish, we will let you know. Please keep preparing.

We are very sorry that we will not get a chance to say a proper goodbye to our second class pupils. We will try to fix this once we all settle back to school. I want to tell parents that I am in constant contact with the senior school and that they are getting ready to welcome the children in to third class. The teachers at Nano Nagle are helping here too. The senior school will be in touch in the future about their arrangements. Please be patient.

Lastly, many thanks to you all who have provided me with your e-mail address. I still need more! Please mail the school at nanonagleinfo2@gmail.com and I will add your details to our data base.

Many thanks - I will be in touch when I have more news for you all.

Mr. Burke.

A handwritten signature in black ink that reads "Damien Burke". The signature is written in a cursive style with a horizontal line extending from the end of the name.

Damien Burke
School Principal
