A note from the Salesian Sisters.

Food Bank

Hello to all the Girls, Boys and staff in Nano Nagle Junior School,

Last year, 2020, we celebrated the Salesian Sisters coming to Ireland 100 years ago. We have a very special gift of a bag of Seedbombs for each of you! Yes, Seedbombs, that in time will explode into beautiful wild flowers with lots of different colours in the Summer time. Soak the Seedbombs in water for a few hours before planting. Seeds will be sent home on Thursday 25th March. Enjoy gardening!

Just like these flowers that will bloom beautifully, the Salesian Sisters think that each one of you in Bawnogue is like a beautiful flower in bloom. You have different names, different gifts, different talents-and you will grow and change and become a beautiful person-and you will colour our world just as beautiful flowers do.

These seeds are everlasting and will grow every year. When you look at them you can remember you are a very special person and always a loved member of the Salesian Family.

The Salesian Sisters hope that these Seedbombs will grow into beautiful flowers which will bring you lots of joy and happiness. We also hope that you and your families will enjoy this beautiful gift in your gardens for many, many years.

Best wishes and many blessings,
The Salesian Sisters.

Congratulation Salesian Sisters on all your hard work over the last 100 years in Ireland.
