3rd March 2021

Welcome back

A warm welcome back to school to all our pupils, parents/guardians and staff. Thank you to the parents/guardians for wearing your mask, staying two metres apart and for leaving the school grounds as soon as you say good-bye to your child. We urge you to keep this up to ensure the health and safety of our whole school community. It is important that we all continue to follow the guidelines.

All of the children will receive lessons on safe hand hygiene. “Cover your Cough and Sneeze” posters are visible in all classrooms. Please reinforce this important message at home!

Multiple hand sanitizers are located around the school building, especially at entry and exit points. Our cleaning staff are also ensuring that extra measures are being taken to protect pupils and staff.

Children with any form of sickness should always be kept at home until they have fully recovered.

Home School Support

We all want the best for your child and there are many ways within our school where we try to help children who may have particular needs. If you are concerned about a family situation that may be affecting your child please let us know. There is help available in our school and we can let you know of services that are available in the community.

The Home School Community Liaison Coordinator (HSCL)

Ms Colette Mac Mahon is here to support you in a private and confidential way, during school hours.

Mobile: 089 4126918.
