**Supporting Parents
Supporting Children**

National Parents Council Primary (NPC)

Free Online Training events for Parents during the week of 17th – 21st of May 2021

Supporting your child's mental health and wellbeing

Each day during the week of the 17th of May 2021 NPC will be holding training sessions for Parents on Supporting children's mental health and wellbeing.

On Monday – Thursday there will be both a morning session at 10am and an evening session at 8pm. A morning session at 10am will be held on Friday.

This session by NPC in conjunction with St. Patrick's Mental Health Services, supports parents to encourage and promote positive mental health and wellbeing in their children. The session also explores how the building of resilience in children helps them to manage and cope with the day to day stresses of life as they occur.

If you would be interested in attending (virtually) one of these sessions please register your details

Under 10 – Under 14 age groups.

Illness/ School Absence

To inform the school of any absences please text child's name, teacher and brief reason to

087 1755308 (Attendance only)

Health Declaration

The Dept. of Education has asked families to complete a health declaration after each pupil absence. It will allow the school to make sure that each child is healthy when they return. When your child is absent, each family will be sent a text to acknowledge the absence. Please follow the link in the text to make the declaration for your child just before they return to school. If you do not receive the text, you can still find the declaration on the front page of our website. Please complete the form after each and every absence. It only takes 30 seconds! Thank you for your cooperation.

For Parents Barnardos online courses

Barnardos are hosting a free webinar for parents/guardians on online safety. This 45 minute session will give parents practical tips that will help them keep their children safe and resilient online.

The objective is that parents/guardians will leave these webinars feeling empowered; they will have an awareness of the risks online for children and practical tips that will help them keep their children safe and resilient online.

After completing a webinar on online safety, parents will be able to:

- outline the key risks for children being online
- implement practical solutions and tips to help their children stay safe online
- reflect on how they might help their children if they were cyberbullied or cyberbullying
- identify helpful websites and signpost them to others
