## Best Class Attendance for May!

## Attendance Matters

'Every School Day Counts' in the learning journey of children. Likewise, every minute of every day counts. Consequently, we are re-emphasising the importance of punctuality in the mornings and the avoidance of unnecessary early collections throughout the day. While we are coming towards the end of the year, it is vitally important that the children are in school on time every day. **This time of the year is as important as any other for your child's education and well-being.**
