Punctuality

Bringing your child to school on time is so important. Ensuring your child is lined up with the class outside means they are ready to start on time with their classmates.

Pupil Illness

Please inform the school by text if your child develops any form of illness during the year. This should be done as soon as possible to ensure that we can take the necessary steps to safeguard all pupils and staff. **If your child is ill or presenting with Covid19 symptoms, he/she should be kept at home and follow GP medical advice. While at school if your child becomes ill/presents with Covid symptoms a member of staff will call you to collect your child immediately.**

Attendance

Please inform the school if your child won't be in. Any calls and text messages **concerning attendance** should be directed to the mobile number at the top of the newsletter 📞: **087 1755308** and NOT the school number or email address. If there is no answer please leave a message giving child's full name, a brief reason for absence and name of the Class Teacher. Suzanne listens to and reads messages but is unable to reply. We understand that this may be due to illness, medical appointments or other family circumstances. However, the school is obliged to keep a record of the student's attendance and report these absences. If your child is well enough for school we would like to see them in school as much as possible, because every day is crucial, but also every minute of

every day in school counts as your child's education and social development is so important. "**EVERYDAY COUNTS**" We thank you for your continued support and co-operation.

Early Collections

Please try to organise appointments **after** school hours if possible. We would ask for your co-operation with this matter. If your child needs to be collected early, please go to the main door at reception and ring the bell. Your child will be collected from the classroom by a member of staff and brought to you. **Thank you for respecting our request not to collect your child during the times of 1.20- 1.40 p.m. and 2.20-2.40 p.m.**

Drop off and Collections

A huge thank you for your co-operation in dropping your child off in the school yard in the mornings and then leaving as soon as possible. This encourages independence.

Home School Support

If you are concerned about a family situation that may be affecting your child, please inform us. There is help available in our school and we can let you know of services that are available in the community. The Home School Community Liaison

Co-ordinator (HSCL), Ms

Fassnidge is here to support you in a private and confidential way during school hours. **Please note that the HSCL number has changed to 089 615 8480** or alternatively you can email hsclnanonagle@gmail.com during school hours.
