#### Reminders!

**Punctuality:** 'Start as you mean to go on'-bringing your child to school on time is so important-ensuring your child is lined up with the class outside means they are ready to start on time with their classmates.

**Attendance:** Please inform the school if you know in advance, that your child won't be in, by text or voice message (**please speak slowly and clearly when leaving a voice message**). Just a reminder that any calls/messages concerning attendance should be directed to the mobile number at the top of the newsletter 📞: **087 1755308** and **NOT** the school number. If there is no answer please leave a message. From the **8th January 2023** the Attendance only mobile number will no longer be in operation, therefore, you can call the school on the mainline number above or simply use Aladdin Connect. We thank you for your co-operation.

**Early Collections:** Please try to organise appointments after school hours if possible. It is important that your child remains at school until the official school day ends as he/she is missing out on valuable curriculum time and this impinges on their learning and overall success. We would ask for your co-operation in this matter.

### **Updated Contact Details**

Please make Peggy (secretary) aware of any change of telephone number/address/email by filling out the **yellow** form available from Peggy at reception. Or use the **Aladdin Connect app** to make changes yourself. This can be done at any stage during the year. It is very important that the school has correct contact details.

### **Parking of cars at drop off and collection times.**

We understand that the main road outside the school gates can be very busy at drop off and collection times. Please be mindful of homeowners in the area by not blocking driveways and gates.

## **Illnesses**

It is very important that the school be told if your child develops any form of serious illness during the year. This should be done as soon as possible to ensure that we can take the necessary steps to safeguard all pupils and staff. If your child is ill, he/she should be kept at home and follow medical advice.

## **Mental Health & the HSE**

The HSE has a useful Mental Health section on their website which contains information and advice about mental health and wellbeing. Click on the link below: <https://www2.hse.ie/mental-health/> Choose a topic to make the connections and find support that can help (anxiety, sleep, stress, and low mood).

## **Home School Support 2023/24**

If you are concerned about a family situation that may be affecting your child, please inform us. There is help available in our school and we can let you know of services that are available in the community. The Home School

Community Liaison Co-ordinator (HSCL), Ms Fassnidge is here to support you in a private and confidential way during school hours. **Please note that the HSCL phone number is different to the school number** **089 615 8480** or alternatively you can email [hsclnanonagle@gmail.com](mailto:hsclnanonagle@gmail.com) during school hours.
