### **Drop off and Collections**

A huge thank you for your co-operation in dropping your child off in the school yard in the mornings and then leaving as soon as possible. This ensures the health and safety of all our pupils, other parents, school staff and the wider community during the Covid 19 pandemic. It is important that we all continue to follow the guidelines and stay 2 metres apart. Wearing masks helps to stop the spread of the virus. We ask that you dispose of your mask responsibly.

### **Punctuality**

Bringing your child to school on time is so important. Ensuring your child is lined up with the class outside means they are ready to start on time with their classmates.
