Calendars

The class calendars will be on sale from **Wednesday November 20th – Monday 25th every morning from 9.00 – 10.00 a.m. in the Parents' Room** in the prefabs. Samples of each class calendar are on display on classroom windows facing the yards and paths leading to the yards so that you can have a chance to see them before ordering. They will be on display on the corridors outside each classroom on the evenings of the Parent Teacher meetings where you will have an opportunity to see them also.

Calendars cost €4 each or €10 for 3. When you buy 3 they can be of different classes, but within the same family.

****The order form is attached to this newsletter.**

It would be of great help to the Parents' Association if you could have the form filled out beforehand and bring the exact amount of money. This will prevent any long delays.

€3 per child which can also be paid at the same time as calendar payments in the Parents' room. Santa order form is also attached for all classes **except Early Start.**

Boil Water Notice

Due to the Boil Water notice parents have been contacted by text stating pupils are allowed to bring in their own drinks for the next few days.

Clothes Recycling

Please bring any clothes donations to the hall before **Thursday 21st November.** Your donation helps to raise much needed funds for the school as we get a certain amount of money per bag collected. “Stop for the Lollipop”

South Dublin Co. Co. have asked us to spread the word about their “Stop for the Lollipop” campaign. It is urging all road users, especially those who drive, to obey our lollipop lady. We are very lucky to have a dedicated warden and she does a great job allowing children and adults cross the road safely. Please urge all motorists you know to be safe and stop when the warden is allowing the children cross!

Junior Infant Meeting

C.L.O.V.E.R. Project:

Children Learn on Very Early Reading.

*Guest Speaker: Mags Lyvch
(Clondalkin Librarian)*

Each child received a pack with two lovely new books to keep. This is to encourage the love of reading as a life skill. Children were very excited to have a special visitor to their classroom on Wednesday 13th November. It is understandable that the timing did not suit everyone. Ms Mac Mahon will deliver the books to any parents/ guardians who couldn't make it on the day.

This project is supported & funded by the South Dublin Library Service.
