Back to School Reminders

Uniforms:

Please ensure all jackets/jumpers/cardigans are labelled with your child's name to avoid mix-ups during the year!

Punctuality:

Bringing your child to school on time is so important. Ensuring your child is lined up with the class outside means they are ready to start on time with their classmates.

Attendance:

Please inform the school, if you know in advance, if your child won't be in. Any calls/messages concerning attendance should be directed to the mobile number at the top of the newsletter: **087 1755308 and not** the school number. If there is no answer please leave a message with your child's **full name**, Christian name and surname **and class teacher's name and a brief reason for absence**. We thank you for your co-operation.

Early Collections:

Please try to organise appointments after school hours if possible. It is important that your child remains at school until the official school day ends as he/she is missing out on valuable curriculum time and this impinges on their learning and overall success. We would ask for your co-operation in this matter.

Updated Contact Details:

Please make Peggy (secretary) aware of any change of telephone number/address by filling out the yellow form available from Peggy at reception. This can be done at any stage during the year.

In case of emergency it is very important that the school has your correct contact details.
