17th August 2020

Dear Parents,

I hope this mail finds you safe and well.

As promised, I am keeping in touch with you all before our return to school. A lot of work is being done in the school building right now to move the yard lines and to ensure that lots of extra signage is in place. In this week's letter, I would like to address four key issues:

Foreign Travel:

Some of our families may have travelled abroad recently. In line with government advice, if you and/or your child are returning from a country that is not on the green list, then you and your family must restrict your movements for fourteen days after your return. **Your child will not be allowed attend school if they have not isolated for fourteen days following foreign travel.** This is an important safety measure for the school community. If you/your child are isolating, please let the school know – nanonagleinfo2@gmail.com

Restricting your movements means staying indoors in one location and avoiding contact with other people and social situations as much as possible.

More information on green list countries can be found here on the official government website - <https://www.gov.ie/en/publication/8868e-view-the-covid-19-travel-advice-list/>

Book Bills:

If you have lost the link sent to you for book payments, just e-mail the school and it will be resent to you.

School Lunches:

School lunches will begin once again on our first day back. To minimise risk, children will be given a disposable bottle of water for their own use each day. Please talk to your child about the importance of not sharing food/drinks when at school. Children should not bring in any food from home.

School Equipment:

For everyone's safety, the children will not be bringing any packs/books/equipment/stamp books home from school for the first few weeks back at least. We will then review this policy and see how it is working out.

I will write to you all next week to give you a final update, and to remind you of your child's line number and other final details.

Take care,
Mr. Burke.
