Health and Safety

As Dublin county is now in phase three of restrictions for the coming weeks all of us in Scoil Nano Nagle are doing our very best to follow the recommended safety guidelines. We especially thank all the girls and boys in all the classes for their co-operation.

We would like to remind parents/guardians of the importance of wearing masks when you drop your child off to school in the morning and again at collection times.

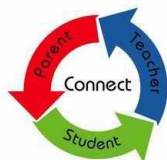

This ensures the health and safety of all our pupils, other parents/guardians, school staff and the wider community during this Covid 19 pandemic. It is important that we all continue to follow the guidelines and stay 2 metres apart. We ask that you dispose of your mask responsibly.

Wearing masks helps to stop the spread of the virus.

Home School Support

We all want the best for your child and there are many ways within our school where we try to help children who may have particular needs. If you are concerned about a family situation that may be affecting your child please let us know. There is help available in our school and we can let you know of services that are available in the community.

The Home School Community Liaison Co-ordinator (HSCL) Ms Colette Mac Mahon is here to support you in a private and confidential way, during school hours.

If your child needs to be collected early please go to the main door at reception and ring the bell. Your child will be collected from the classroom by a member of staff and brought to you.

Book Payments

Thank you all those who have paid book bills on line. There is a grant available for anyone who needs it. If you have a particular difficulty you can pay in instalments. You may contact Ms Mac Mahon at hsclnanonagle@gmail.com. No child can be given books until arrangements are made with the school.

Updated email contact details

Most of our correspondence with parents will be via email from now on. If you don't have an email account set up we urge you to do so and to give the school your email address as soon as possible. By not having an email address you will miss out on important information regarding school procedures and information.

It is very important that the school has correct contact details. Please contact the school if you have changed your phone number, address or email.
