

Junior Infants Work Timetable: 18th – 22nd January

Dear Parents,

Please find the timetable for the week below. Hopefully you will all have had a chance to collect the work packs from school last week. There are pictures of the relevant pages and sheets included here also. Keep sending your wonderful work to your portfolios. We love to see it!

Please continue starting each day with the routines we use in school. They are answering the following questions: what day it is, what month, what is the weather like outside today. There are lots of songs on YouTube for these.

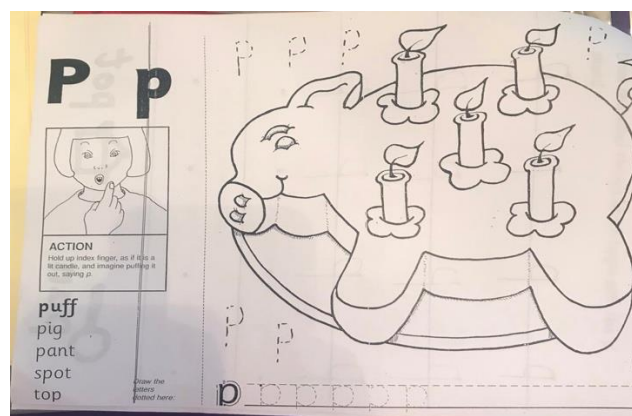

Keep up the great work revising list 1 of the sight words for this week!

Thank you for your co-operation,

Junior Infant Teachers
