

## Weekly Plan for Senior Infants Jan 18th - 22nd

Dear parents and guardians,

Each Monday we will put up our plans for the week. Please be assured that we understand home-schooling can be challenging and we don't want you to feel under pressure to do everything on the plans. We will be in touch through Dojo each day and you can always message us through Dojo with any questions. You can upload pictures of your child's work to their portfolio for us to see and comment on . We look forward to making contact with all of you and hope you are all keeping safe and well .

Try and get 30 minutes of exercise daily to let off steam and get rid of some energy. Live P.E. with Joe Wicks will re-commence on youtube, Monday 9am, 18<sup>th</sup> January and will continue Wednesday's at 9am and Friday's at 9am on a weekly basis. Remember you are allowed to exercise locally and within a 5km radius of your home.
