

Weekly Plan for Senior Infants Feb 8th-12th

Dear parents and guardians,

Each Monday we will put up our plans for the week. Our theme this week is food. Please be assured that we understand home-schooling can be challenging and we don't want you to feel under pressure to do everything on the plans. We will be in touch through Dojo each day and you can always message us through Dojo with any questions. You can upload pictures of your child's work to their portfolio for us to see and comment on . We look forward to making contact with all of you and hope you are all keeping safe and well .

***PE and Movement breaks.**

This week we are sharing dance and yoga food themed videos.

Try and get 30 minutes of exercise daily to let off steam and get rid of some energy. Live P.E. Joe Wicks will re-commence on youtube, Monday 9am, 25th January and will continue Wednesday's at 9am and Friday's at 9am on a weekly basis. Remember you are allowed to exercise locally and within a 5km radius of your home.

Suggested tips:

- Find great resources on the school website that can support learning from home.
<https://www.scoilnanonagle.com/learning-from-home.html> (*If you are having trouble viewing the website on your smartphone- try using Google Chrome and clicking on the three little dots on the top right corner of the webpage and ticking the box for desktop site.*)
- Try and create a daily routine with the same fixed times for breakfast, school work, lunch, dinner and relaxing time to help relieve anxiety and create more normalcy with homeschooling.

What Can You Do in a Minute?

I can measure and record time in minutes.

Choose an activity. How many times do you think you can do it in a minute?
Use the minute timer to see if you are correct.

Activity	Estimate	Result
Write your name 		
Star jumps 		
Count to ten 		
Stretch high and touch your toes 		
Draw a face 		
Build a tower of ten cubes
